COMMUNITY

This season, Cycling BC is offering a new way for students to build skills, confidence, and make friends through cycling. We are partnering with the Burnaby Velodrome Club to provide after-school vehicle transportation for students (Grade 5-12). We are seeking schools that would like to partner as an affiliated pickup location or share the opportunity with their students.

We are focusing on schools within 10 minutes of the velodrome, located on the west end of Barnet Highway. We have 14 spots in the vehicle, with 20 spots available if some children wish to make their way to the facility in time for the 4:30-6:00 pm session. Bicycles, helmets, and expert instruction are provided. Parents pick up students at 6:00-6:15 pm at the facility, with students over 12 allowed to checkout themselves.

The cost of each 3-week program is <\$30 per session, cheaper if they already have a membership with us.
