BETTER BUS BEHAVIOUR

As Translink is increasingly busy, please keep the following in mind when you are taking public transit.

- Be mindful of where you are standing when the bus is coming to a stop. Moving away from the curb allows the driver to pull in safely.
 - Remember that other students want to get on the bus. Pushing your way to the front of the line makes everything slower for everyone.
 - With construction, the bus stop locations have changed. Check the signs or your app carefully to make sure that you’re at the right bus stop.
 - Other bus riders may not want to hear your conversation—keep the volume down.
 - You might miss the bus, or it might be full. Another one will be along soon.
 - If you see something unusual when you’re on public transit, report it to a uniformed attendant, or text 87.77.77
- We all need to work together to make a transit system that it safe for everyone!

THE TRI-CITIES ENCHANTMENT PROJECT – DRESS DONATIONS REQUEST

All students should have the opportunity to attend their grad celebration feeling confident, beautiful, and excited about their special night regardless of their family finances or circumstances.
