

Empowered Black Girl

Internship Program • Jul 31–Sep 29, 2023

Shaping the Future through Leadership

The Empowered Black Girl Internship Program is designed to provide high school students grades 10 - 12 who identify as black girls with an opportunity to gain hands-on experience in various fields, with a keen focus on science, technology, engineering, and mathematics (STEM) fields and entrepreneurship. This program will provide an opportunity to develop new skills, build confidence, and establish a network of mentors and professionals who can guide and support them as they navigate their career paths. The program will also help students to develop leadership skills and learn how to advocate for themselves and their communities.

WHO CAN APPLY?

- Identify as a Black girl
- In grades 10, 11 or 12
- Able to commit to the internship schedule and attend all program activities over the course of 10 weeks
- Demonstrates a strong interest in learning about various industries and career paths
- Interested in developing leadership skills

PROGRAM BENEFITS

- Opportunity to explore different career paths and industries
- Workplace experience and skill-building opportunities
- Mentorship from professionals in different fields
- Networking opportunities with peers and professionals
- Development of essential professional skills
- Certificate of completion

The program will run for 10 weeks during the summer months.
