

Grade 9 Midterm Interview

All grade 9 students will be participating in a midterm interview to ensure their continued success at Riverside. RAP teachers will discuss your digital portfolios and ability to access various services at the school. The interview will take place on **Monday, January 20th, from 11:15 am–12:15 pm. Students are expected to set a meeting time and location with their RAP teachers.** Attendance at the meeting is mandatory for all grade 9 students (If you cannot attend, please meet with your RAP teacher to establish a different meeting time during the week). To prepare for the interview please:

- Pre-read the questions below and be prepared to respond. Please prepare examples on you blog when applicable.
- Bring your device (fully charged)
- Have your Digital Portfolio, and examples of Core Competency Self-Reflections (Edublog), prepared to share.

Interview Questions

- Looking back at your first semester, what are some things you enjoyed or/are proud of? Describe any meaningful experiences you have had.
- Do you have any questions or concerns? What has presented a challenge for you thus far? Do you know where you can go for help socially/emotionally and academically? Is there anything with technology you are struggling with and if so, do you know where to seek assistance?
- Have you been able to get involved in our school community? What are your ideas about how you can get further involved? Is there someone or an area of the school where you are connected?
- What is one assignment that you are most proud of/or learned a great deal from that you can show in your Digital Portfolio and/or Core Competency Self-Reflection?
- Looking forward, what are some things you want to accomplish by the end of the year while here at Riverside?
