

# Grade 9 Year End Interview

All grade 9 students will be participating in year-end interview to ensure their continued success at Riverside. RAP teachers will discuss your digital portfolios and core competencies. The interview will take place on **Friday, June 21st, from 11:30 am–12:15 pm \*after the Math 9 final\***. **Students are expected to set a meeting time and location with their RAP teachers.** Attendance at the meeting is mandatory for all grade 9 students (If you cannot attend, please meet with your RAP teacher to establish a different meeting time). To prepare for the interview please:

- Pre-read the questions below and be prepared to respond. Please prepare examples on your blog when applicable.
- Bring your device (fully charged)
- Have your Digital Portfolio, and examples of Core Competency Self-Reflections (Edublog), prepared to share.

## Interview Questions

- Looking back at your first year, what are some things you enjoyed or/are proud of?
- What are some things you want to accomplish by the end of your grade 10 year here at Riverside? (How can you be more involved in our school community?)
- What has presented a challenge for you thus far at Riverside? If there is something you have identified, do you know where you can you go for help socially, emotionally and/or academically?
- Is there anything in regards to technology you are struggling with? Have you seeked out assistance for this issue and if not, do you know where to seek help?
- What is one assignment that you are most proud of/or learned a great deal from that you can show in your Digital Portfolio? Can you show an example of your learning through a Core Competency Self-Reflection?
