

Getting to Know the Creative Me

In my class, _____ I did this / these activities _____ which helped me develop my creative thinking.

Check the box (✓) that best describe you as a creative person. After you make your selections, give practical examples or evidence of why that description is true.

- I am an **innovator**. I take risks to create something unique.

- I am a **synthesizer**. I blend lots of concepts together from lots of different fields to create something new.

- I am a **reproducer** or modifier. I improve on other people's ideas.

- I am a **practicalizer**. I make random or abstract ideas practical for everyone to see or use.

- I am a **dreamer**. I have lots of great ideas, but I don't know how to put them into practice or make them real.

Here are some examples of my thinking that support this belief:

My strengths as a creative thinker:	My opportunities to improve as a creative thinker:

Now you can use what you have reflected upon here to write your competency reflection as an Edublog post: Go to your Edublog, open the Core Competencies tab, start a new post using the Self-Assessment template.
