

Rapids Digital Boot Camp 2021

(Staff and Tech Team)

Grade 9 students will have an opportunity to learn, discover and play with the various programs used at Riverside. Students will be introduced to some of the digital tools that are used and gain a better understanding of them.

Date: Tuesday, September 7th, 2021

Time: 9:15 am to 11:15 am

Location: Students will go to the STREAM classrooms, as marked on their packages received at Orientation Day.

Key Things:

- * Students are asked to arrive at the school at 9:00 am. They go to the classes they were at during the Orientation Day.
- * Students who did not attend the Orientation Day can receive their packages in the office.
- * All STREAM teachers are needed in each class to welcome students, build connections, and support with technology. This is a great opportunity for staff to build connections with grade 9's in a smaller environment. Great opportunity.
- * Remember to hand sanitize, stay socially distanced, and go directly to your STREAM classrooms. We are asking students to not group in the hallways and follow the proper pathways throughout the school.
- * The MS Teams Wave will be used to provide support in classes. Staff and students should add the team using the code: **jz2npou** | Please enter question and concerns in the chat to receive support.
