

A special message from CPF – We would like to extend our heart-felt condolences to the family and friends of recently retired teacher M. Jacques-André Larrivé. He was a pillar in the French Immersion program at Riverside and the FI Leaving Ceremonies at Riverside.

- **Time to join or renew your membership.** A 3-year membership is offered for \$60 instead of \$25 per year. 80% of all membership fees are returned directly to the chapter (Tri-Cities) which then allows us to provide awards for Gr. 9-12, scholarships, French summer camps and more. It is a great opportunity to support your child in French immersion.

To sign up or to renew use this link:

<http://cpf.ca/en/membership/online-membership-management/> and use the new on-line membership management system.

- If you are a **parent of a Gr. 12 student**, please note that CPF offers scholarships, however parents/students need to be a CPF member in order to apply. Join/renew now and stay tune for more detailed info about how to apply for the scholarship.
- The next CPF meeting is on **Monday, November 18 @ Glen** starting at 7:00 pm. Everyone is welcome.

We are now on twitter, be sure to follow us and tweet us!
