WELCOME

Greetings Riverside community! It's amazing how quickly time flies, with May long weekend now behind us. I'd like to open this newsletter with thanks to everyone making Riverside such a great school to be at each and every day. From the students who volunteer for all the leadership roles, to the parents who work behind the scenes to make events and fundraisers work so well, to the staff who exemplify such dedication to the school in and out of the classroom: thank you!

GRADUATION EVENTS

Graduation season is upon us! The class of 2019 is excitedly awaiting their Dinner/Dance and the G19 Student Group has been hard at work ensuring that it's a successful evening for all. Your work is appreciated!

We have met with our grade 12s recently to share our expectations for the remainder of the year. Our message is simple...take this time to thank the people who have been a significant part of your lives and end your school year on a positive note. Parents, we are asking for your support in continuing to encourage your children to persevere and maintain their focus through to the end of the school year. Students must be passing all their courses in order to attend their graduation activities and many students have post-secondary admissions and scholarships being contingent on their final grades.

On a more serious note, we reminded our grade 12s that the graduation events are school events and are expected to be alcohol and drug free. Students who attend these events in possession or having consumed these substances will not be permitted to enter these events. Parents, we recognize that graduation is a wonderful accomplishment for your child and that some of you will be gathering together with family and friends prior to your child leaving to attend dinner and dance and/or After Grad. In the past, we have had some parents choose to provide alcohol to their children to celebrate their graduation as part of their celebration before departing home for Dinner and Dance. Unfortunately, once these children arrived at their graduation activities, they were not permitted to enter. Our objective is to provide a safe environment for your children. Please help us by reminding your children that the graduation activities are enjoyable and memorable, and that they do not require alcohol or drugs to have a good time.

Lastly, please be aware of district and school policy regarding grad pranks. We have been very fortunate in that our grads over the past several years have been very respectful of our school community. We would like to maintain this tradition. Just a reminder that any students who vandalize the school, negatively impact the learning environment, harm animals, or jeopardize the safety of our students and staff will forfeit their graduation events. Furthermore, any vandalism to the school will be reported to the police for investigation and criminal charges. Please have a conversation with your children about the impact these actions could have on their graduation, their future, and on their family.

SUMMER SCHOOL COURSES

Summer school registration is now open. If your son or daughter is planning to take a summer school course, they should make their counsellor aware as grade 9 and grade 10 remedial courses will require a counsellor/teacher referral. Counsellors make recommendations for summer school when June marks are available.

If taking a summer school course involves a course change for next year, your son or daughter must check to make sure there is room in the new course in June during the time that course requests are made.

COMMENCEMENT COMMENTS

There are still grade 12 students who have not provided a comment to be read at Commencement. Students should check with their counsellor if they are missing a comment.

SCHOLARSHIP WINNERS

Each year at Commencement, the scholarship and bursary awards won by your son or daughter are read out as he or she crosses the stage. If your child has won a scholarship or bursary, please inform Mrs. Luddu by June 4th.

The library is looking for items to help outfit the new maker space. If you have any of the following, please drop them off in the library with Ms. Henderson.

- Lego of any kind
- Meccano Sets
- Cardboard
- Glue guns with a safety shut off
- Cutting mats
- Plasticine

Every little bit helps keep costs down as students have the opportunity to prototype their ideas.

Math Contest Awards Celebration – Wednesday, June 12th 2019 from 4:30- 5:30 pm in the Library

The Math Department will hosts its Ninth Annual Math Contest Awards Celebration to recognize the participation and achievements of our students. The celebration will be held on Wednesday, June 12th, 2019 from 4:30 – 5:30 pm in the school Library. At this time, we will award the annual plaques for highest achievement and certificates of distinction for students scoring in the top quartile in the nation. Invitations will be extended to students that have qualified for these awards.

Arrangements are being made to provide a special guest speaker from Riverside Alumni.

Music Tour Spring Break 2020!

Possible Music Drama Tour to New York next year?
Come out to a organizational meeting on **May 23rd** at 7:00 pm
in the choir room. Contact Ms. Ottens or Ms. Roberge for more information.
New registrations will also be accepted at this meeting.
Come one, come all!

Congratulations to the Riverside Choir for earning Gold and the Band for
earning a Silver at the Whistler Cantando Music Festival!

Everyone had a fantastic trip and some great techniques along with friendships were made.
Congrats to everyone and a special thanks to our chaperones and parents for helping to make this
such a memorable experience.

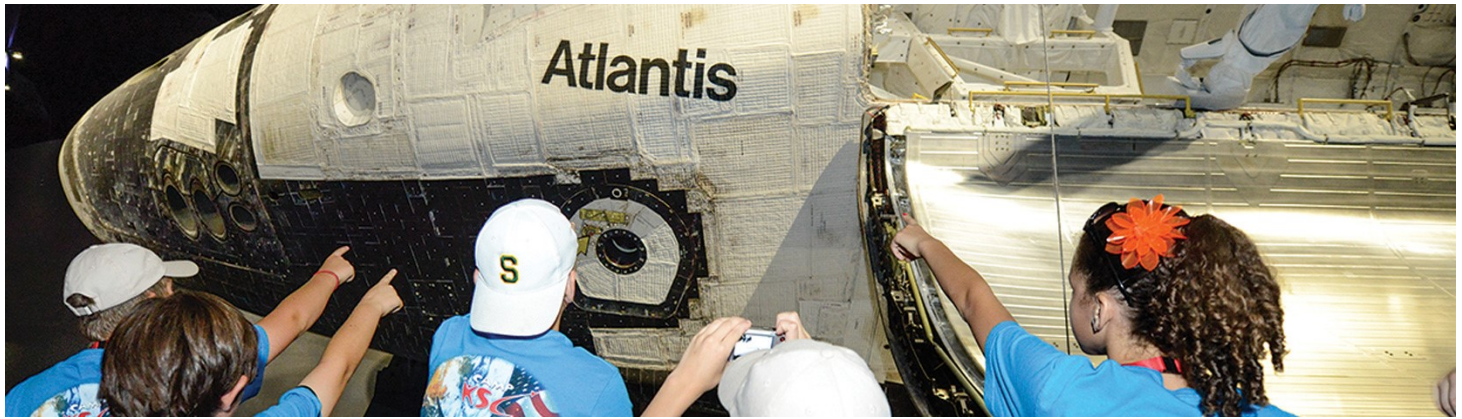

Thank you to everyone who purchased Spring Plants from our Music Department this year.
The DeVry company turned out some great products and we hope you will enjoy the plants all
summer long.

A special **thank you** to Caffé Divano for supporting our Rise and Shine Breakfast Program with wonderful goodies! Each Wednesday, Café Divano donates to Riverside, dozens of baked scones and muffins to help us ensure that students start their day with a full stomach.

Thank you Caffé Divano!

2020 SCIENCE 10 EDVENTURE IN ORLANDO, FLORIDA

Having just returned from this year's fantastic "Edventure", we are already looking forward to planning our next trip. Students will experience behind the scene outdoor classrooms with instructors from the Disney Education team. Students will gain firsthand knowledge of the physics behind roller coaster construction and explore areas not open to the general public. They will travel to the Kennedy Space Centre, experience a simulated launch to space and check out the actual Atlantis space shuttle's new home. These are just a few of the educational experiences students will be involved in during their week in Orlando. Application forms for next year are available online or contact Mr. Horton in Room 222. For more information please contact Mr. Horton at ghorton@sd43.bc.ca.

RIVERSIDE'S ANNUAL STUDENTS VISUAL ART EXHIBIT, "IMAGININGS", OPENS MAY 9TH IN PORT COQUITLAM'S LEIGH SQUARE GALLERIES

On **May 9th, 2019 from 6:00 pm—8:00 pm** the City of Port Coquitlam welcomed the public to the opening reception of **Imaginings**, a show of art by the students of Riverside and Terry Fox Secondary Schools in the Michael Wright and Outlet Art Galleries at 2253 Leigh Square Place, Port Coquitlam.

Ideas and possibilities result from the work of imagination. Imagining is fundamental to creating, innovating, and learning. As well, imagining elevates thoughts from the mundane to the fantastic. The **Imaginings** exhibit highlights many fantastic ideas for art made by local students of **Riverside Secondary School Art** students.

The exhibit is the result of Riverside Secondary working with the City of Port Coquitlam to celebrate the artful work of students. The exhibit runs May 9th—July 29th, 2019. Be sure to drop in to these two local art gallery spaces and view the work of Riverside artists.

Riverside Exam Schedule – Semester 2

The end of Semester 2 at Riverside is fast approaching! In order to help students and parents navigate this busy time of year, please refer to the information bullets and schedule below.

- The last day of regular classes will be **Thursday, June 20th**. The following week students will be involved in Assignment work time (if necessary), exams, and/or Grade 9 interviews (11:30am – 12:15pm Friday, June 22).
- The Provincial Numeracy Exam is mandatory for graduation **for students presently registered in Math 10 or 11 (Semester 2)** who have not previously written a Math 10 Provincial exam. Please check the schedule below to find which day you will be writing the numeracy exam and in which classroom (organized by last name). Online calculators are provided on the electronic section of the numeracy exam.
- Students should bring picture ID to any provincial examination.
- Please note that students **may not begin provincial exams any later than 30 minutes after the official start time.**
- Grade 12 Transitions exit Interviews (for all English 12 students who have not done them) will be held in RAP classrooms.

CANADIAN MATHEMATICS COMPETITION RESULTS 2019

RIVERSIDE STUDENTS ATTAIN SOME COMMENDABLE RESULTS IN CANADIAN MATHEMATICS COMPETITION

The Canadian Mathematics Competition, whose purpose is to challenge the best mathematics students in the country was written by approximately 75 043 students on Tuesday, February 26th. The students in grades 9, 10 and 11, represented some 1 500 schools across Canada.

At **Riverside** we took part in the **Pascal** Contest for **grade 9's**, the **Cayley** contest for **grade 10's** and the **Fermat** Contest for **grade 11's** and a number of excellent results were recorded. In the **Pascal Contest**, Riverside's team consisting of the top three scoring students placed in the top **81%** of all participants which included 24 793 students that made up 1 078 teams. Individually, **Megan Peterson**, was the **medal winner** at Riverside placing in the top **11% in Canada**. **Fanny Barakaeva** and **Stefan Diaconu** tied for **second** placing in the **top 26% in Canada**.

In the **Cayley Contest** written by 18 727 students that made up 1 017 teams throughout Canada, **Riverside** placed in the top **15%**. Individually, **Justin (Jeongyeol) Park** was the **medal winner** at Riverside placing in the **top 1% in Canada**. **YeJoon Choi** was **second** placing in the **top 3% in Canada** and **Mehrshad Esmailzadeh** was **third** placing in the **top 4%**.

In the **Fermat Contest** written by 15 903 students that made up 1 006 teams, Riverside placed in the top **30%**. Individually, **Eva (Zheng) Lian** was the **medal winner** at Riverside placing in the top **7% in Canada**. **Alexei Tkachenko** was **second** placing in the **top 9% in Canada** and **Zhuangda Wang** was third placing in the **top 11% in Canada**.

Individually, a total of **9** students qualified for "**Certificates of Distinction**" by placing in the top **quartile** among all competitors in Canada.

Members of the **Riverside Math Department** would like to congratulate all participants for excellent performance and their **commitment** and **perseverance** in striving for mathematical excellence. Thanks are also extended to **Pitt River Middle, Citadel Middle and Kwayhquitlum Middle** for helping to provide a sound foundation for Riverside students.

Safety for Students and Staff

Just a Reminder to All Drivers:

When dropping and picking up students at the front of the school, there is a crosswalk located at the front of the main doors. We have had several incidences where drivers have come close to hitting pedestrians using the crosswalk.

Please drive with extra care and attention.

Also a reminder that drivers should not be idling or parking in the staff lot in the front of the school.

After-Grad News

Volunteers needed for After Grad

After Grad 2019 is quickly approaching and we need YOUR help! The aim of After Grad (also known as a dry grad party) is primarily to offer graduates a safe and fun environment to celebrate their accomplishment on a night when risk of harm is unusually high.

It takes over 120 volunteers to pull off this one night of festivities. Won't you come and join us? Please sign up here: <https://signup.com/go/JUMJSps> or contact Deborah at canyoufeelthelovetonight@shaw.ca with questions.

To those who sign up, thank you! We look forward to meeting you at the pre-After Grad volunteer meeting on Tuesday, June 4th at 7pm in the school library.

A huge shout out to local donors and sponsors

They say it takes a village to raise a child... Thank you to all those in our community who have already contributed so much to make this a successful event, including The City of Port Coquitlam, TCBY Frozen Yogurt and many more.

If you are interested in donating a prize to the After Grad event, please contact Mary at mnldesousa@shaw.ca or Deborah at canyoufeelthelovetonight@shaw.ca

If you are not yet on the After Grad email list or have added your contact info but are still not receiving emails, contact Deborah at canyoufeelthelovetonight@shaw.ca.

This month's After-Grad meeting is Tuesday, May 14th. Next month's After Grad volunteers meeting will be held on Tuesday, June 4th at 7pm in the Riverside library. ALL After Grad volunteers must attend. See you there!

Calling all Grade 11 Parents

After Grad 2019 is quickly approaching and we need YOUR help! The aim of After Grad (also known as a dry grad party) is primarily to offer graduates a safe and fun environment to celebrate their accomplishment on a night when risk of harm is unusually high. Most of the adult volunteers for After Grad tend to be the parents of graduating class. As you'll see next year, this poses a slight problem for parents who already face a long day preparing their students for Grad celebrations, and then ultimately are required to volunteer for the After-Grad event, which runs through the entire night and into the next morning.

A great solution is to have set-up and chaperoning at this year's After Grad event administered by you--the parents of next year's Grads. This strategy has proven successful, since Grade 11 parents can see first-hand the purpose of the event and perhaps even promote excitement and new ideas for next year's planning.

It takes over 120 adult volunteers to pull off this event. Please sign up to be part of this important celebration using the following link: <https://signup.com/go/JUMJSps>

Feel free to contact Deborah McNicol (canyoufeelthelovetonight@shaw.ca) with any questions you might have.
