

Season's Greetings 2018

The holiday season is here, and what a joy it is to celebrate this time of year in our school district and all that comes with it—the Christmas music, decorations, holiday treats, time with friends and family, and the spirit of giving.

Fall is a wonderful time for students' academic, emotional, social and physical growth and success thanks to the collaboration and involvement of the employees, parents, trustees, partner groups and the community.

We are proud of how our school district comes together in the true meaning of the season to share and give back to the community by collecting food and toys, making hampers, sponsoring families, and volunteering time to help those in need. Thank you all for your extra efforts.

On behalf of School District No. 43 (Coquitlam), I wish you a peaceful and restful winter break, a very Merry Christmas and a Happy New Year.

Sincerely,

A handwritten signature in cursive script that reads 'Patricia Gartland'.
