

W H I 2 WEEK ISH PEEK

APRIL 29, 2019

Next year...

We will soon learn how much teacher staffing we will receive for September. Staffing allocations determine how many classroom divisions we can build and are based on projected student enrollment numbers determined in April. Enrollment can change greatly between April and September which means our staffing and classroom organization can change between now and September.

We will keep you apprised of developments (I am sure there will be some).

Rochester Sandbox

We are looking for sand toy donations for our Rochester Sandbox! If you have any gently used dinosaurs/animal figures, cars, buckets, kitchen pans or shovels, please drop them off with Mme. Lalani.

Como Lake Relays

Congratulations to all our Como Lake relay runners and coaches who braved the downpour last Thursday. Thank you runners for your hard work and commitment and thank you to all the teachers and parent volunteers who made this event possible.

Looking Ahead
