STAFF SPOTLIGHT

Ms. Zhong Div 12

Her favourite colour is green, the same calming hue as the serene forests she adores and frequently visits. Embracing nature, she frequently takes her class outdoors to explore all the wonders it offers! She's a seasonal adventurer: gliding on a paddleboard in the summer and carving slopes on a snowboard in the winter. Her passion for travel involves diving into the history and sampling local flavours; she's an adventurous eater who recently tried crocodile and tamilok (shipworm) in the Philippines! At home, she swaps her gear for yarn and needles, focusing on crochet, cross-stitch, or her newest pursuit, embroidery alongside the occasional jigsaw puzzle. She shares her cozy life with her husband and their cat, Dash, who lives up to his name by zooming around, but never fails to track them down for morning snuggles.

THANK YOU!

We would like to extend our warmest gratitude to our wonderful Roy Stibbs Community! Your support—whether through donations, participation in events, or sharing feedback—has helped our school community thrive. A massive thank to our volunteers; your time and effort are truly appreciated. We extend our heartfelt appreciation to every single staff member at Roy Stibbs—the teachers and EAs, office staff and custodians—for their dedication, hard work, and commitment to our children's success every single day. Wishing you all a safe and joyful holiday season!
