

You're Invited...

DPAC43 invites parents to finally discover the details behind all the data.

Parent Information Night

Date: Wednesday, June 4, 2014
Place: Gallery Room, Winslow Centre
1100 Winslow Ave, Coquitlam
Time: 7:00 – 8:30 p.m. (doors open at 6:30)

There's data, data everywhere, but what the heck can educators do with it? Teachers and Districts collect it, parents and kids provide it, but what happens next?

- *How is data used to support healthy kids?*
- *Can data about our kids' social and emotional needs help us prevent bullying?*
- *What can parents do to help?*
- *How can PACs be a part of the process?*
- *How are community tables using data from our schools?*

Do you have questions too? Want to know about the projects generated and actions taken *after* we fill out all those forms? Please join guest presenters **Susan Foster, Early Childhood Development Coordinator for the Tri-Cities**, and **Angelo Lam, Middle Childhood Matters Committee Coordinator**, as they deliver the dish on the data.
