1. Call to Order/Welcome and Intro

2. Approval of agenda: 1st-Alexandra Chauran-> all in favour

3. Approval of Minutes of Previous Meeting: 1st-Leila Harrison-> all in favour

4. Administrative Report: Lisa Rinke reporting

- New addition to the school is very exciting- scheduled to be completed for Sept. 2024
- presentations to the student communities were well received - Inclusivity was the message; honoring human rights and all views and values
- Hilary Chisom is Scott Creek's new head secretary
- communities are engaged in lots of field trips
- Scholastic book fair and triad conferencing took place
- Remembrance Day assembly with the Wolves MC'ing and the choir playing a key piece in the success
- Self-regulation appears to be improving and administration was very impressed with student behaviour during the assembly
- Squeak and Squawk concert – first beginner concert of the year was enjoyed by many
- Fall athletics are finishing off
- next set of athletics will be wrestling and basketball
- there will be a grade 6 basketball clinic Monday and Thursday mornings
- Gr. 8 MDI is a measurement in school that gives feedback as a school. This is overall feedback which indicated that Scott Creek scored low in the connection piece (how connected students feel with several staff members)
- Middle Development Instrument supports a vision to have more opportunity for connection
- currently looking at developing student clubs where students can develop connections with other teachers
- students have requested to have clocks in the hallways – perhaps this is an initiative that PAC would support?

5. President's report: Melissa Fisher reporting

- PAC is hoping to support teachers with some funds for classroom essentials; looking at teacher FTE and considering allocating \$25/day; currently Scott Creek staffing is 39.1 teaching hours which would total approximately \$5000.00
- currently we have approx. \$2000 in the general account so we will have to bump up the account
