Tournament Rules

All teams will play round robin format starting at 3:30pm.

For the round robin, all teams play until time expires with a 2-minute change over. Play out the point if the buzzer rings. This means that if your scheduled time says 20 minutes, it is actually 18 because you have to include the 2-minute changeover.

Regular League Rules will apply (except for timing/scoring system). For the A tournament you may serve overhand if you would like.

One 20-second time out per game permitted. No time outs in the last 5 minutes.

Net height 2.05m

Try to keep games on time. This is a must – please be ready and warmed up for your games so we can finish on time.

To ensure equal playing time during timed matches, coaches must keep the same rotation throughout the entire event and players will finish in the same position they finished in the previous game.

Poor sportsmanlike conduct will not be tolerated and will result in an automatic red card (loss of point). A second infraction and any subsequent infractions during that match will result in the offending player missing a rotation.

Results will be calculated as follows:

1. Total Points
 1. Win = 2 points
 2. Tie = 1 point
 3. Loss = 0 points
2. If two teams are tied, winner between the two tied teams
3. If teams still tied team with the most overall points goes forward
4. If still tied team with the least points against goes forward
5. If still tied after that: flip a coin!
