Watch and listen to Ms. Cindy sing a Greeting song, and read story.

[Little Cloud by Eric Carle](#)

Cloud gazing

What you need:

- A blanket to lie on ground
- Clouds in the sky
- Patience and an imagination
- What shapes do you see?

Grow & Cut the Grass

What you need:

- Egg carton, or shallow dish with holes in base.
- Dirt
- Grass seed

What to do:

- Fill each container with dirt.
- Sprinkle grass seed on top of dirt.
- Water everyday to prevent drying Out. It will take about 1-2 weeks for seeds to begin sprouting. Then start cutting the grass.

Earthworms in the soil:

Look for worms on a dry sunny day, then Look again after a rainfall

What do you notice? How do worms move?

What do worms do? Draw a worm.

What about snails?

How do they differ from snails?

Go on a hunt for snails.

On a sunny dry morning, afternoon or evening

Hunt for snails after a rainfall.

When do you find more snails?

How many did you find?

- Draw a snail shell -what is their shape?
- Have snail races -handle very carefully not to harm. Line them side by side and see how fast they move.
