**Fundraiser**

Bottle drive: next one April 27, 2022.  
 Freezie: still have lots of boxes, between 10 and 15 boxes with about 60 each in box.  
 No room in the school freezer to freeze them; will need volunteers take them home to freeze and bring the day of the sales. Both Sonya and Wendy should be able help freeze them. Will plan to start selling them the middle to end of May into June; will set up 2 weeks at a time and as weather permits.

**Treasurer update**

Budget for school buses: gaming grant has \$4,080 which is typically used for buses in the past  
 Wendy suggested: \$250 per class out of gaming grant and any difference can be paid by the school.  
 \$1,500 will remain for the stem as previously agreed on. PAC agreed on this.

*Money from fundraisers:*

\$989.60 from Return-it as of March 10, 2022  
\$1172.40 from the Port Moody Liquor Store  
Purdy's is still pending

Total fundraised this year (approximate): \$3,121.34

**Principal's Report**

Coming up is the long weekend and then Pro-D day on April 22.  
Grade 5 articulation currently happening, where grade 5 teachers meet with staff at Moody Middle. Mr. Clay, Moody Middle principal, will probably come and visit the Grade 5s on April 29. Parents can check out your middle school's website for a virtual tour (if going to a different middle school other than Moody). Moody Middle's parent virtual tour is April 20.  
May 11 at 2:30pm, will be an early dismissal to prepare for Kindergarten Welcome/ Introduction. (PAC will try to have someone there to represent)  
Class photos will be on May 18 in the am; weather permitting to be done outside and hopefully, an entire school photo (1<sup>st</sup> one in a couple of years!)  
Within the school, teachers are busy in 3<sup>rd</sup> term. As a district, school goal is split into 3 sections: social/emotional goal, an indigenous goal and an academic goal.  
Safety protocols/ COVID: things in general have opened up, but school is tentatively, slowly opening up. Starting to reduce staggered times. The staggered times have been good as it reduces some issues, but down side is some kids may not see other kids. Some kids are wearing masks, some are not, which is ok.  
A stomach flu has been going around (do not believe it is COVID), but something to be aware.

It was asked about volunteers within the school: they are pretty much lifted and volunteers can come in now. First class actually went on a field trip and parents were able to volunteer and go with them. Criminal record checks are needed; if you live in Port Moody, you go to Port Moody. It is on-line now and does cost approximately \$10. If you live elsewhere within the Tri-Cities you can go to the RCMP. Criminal Record checks are good for 5 years.

**DPAC Report**

Was not able to make the last meeting, but will forward the meeting minutes when they come in.

There was discussion regarding PAC;s next meeting in May to be for elections of executives for the 2022-2023 school year and next meeting in June will be for the budget.

**Next Meeting Date:** May 18, 2022 at 6:30pm for elections.  
Tentative June 15, 2022 at 6:30pm for possible budget.

**Meeting Adjourned:** 7:30pm
