Sonya Burdett - seaburdett@gmail.com

Frank Pearse - FPearse@sd43.bc.ca

Larry Ryan - LRyan@sd43.bc.ca

Meeting called to order 6:33pm

Adoptions of today's agenda – Renata motion, Victoria second

Adoption of Dec 8, 2021 meeting minutes – Renata motion, Alex second

Munch A Lunch update – Corrin

On hold for now. Maybe in February to add some sense of normally. Let Mr. Ryan know if there are any financial barriers at that time.

Bottle Drive January – Jinger

Bottle drive should be safe to do. We'll try for February 2nd if Jinger can get enough volunteers. We've been asked to send Mr. Ryan a reminder and to help show him the ropes. Jinger says play it by ear and see how it goes unless another parent can help take the lead.

Treasurer update – Wendy

Wendy sends her regrets. “Nothing really to report for the treasurer. I can send numbers for the minutes later, but only bank fees have occurred in the bank account.”

Principal's report

Frank: Staff management is a thing for after school programs. Some classes have been cancelled or changed to balance running the programs and keeping people safe. Hopefully things will go smoother with cancellations. Shirts have been ordered. Grade 5 hoodies are in progress and they should be here before spring break. Got the new form for classroom funds that will be out to the staff soon. Introducing Mr. Ryan!

Mr. Ryan: He loves that he's joining a well-run school and has experience as a youth worker and teacher. He will connect with Frank frequently during the transition. He invites people to drop by and ask questions while he is in the parking lot just to say hello. He looks forward to starting on the 31st!

DPAC report – Victoria

In the November 24th meeting a motion was passed not to require vaccine mandates in the district. There's a technology switch to MyEd for report cards so no more paper report cards. We're in our second year as a pilot, so there won't be any change for us. They're trying to redirect bandwidth to help support the WiFi in the schools. The next meeting is next week January 26th.

Open forum

We plan to skip March and do a meeting in April.

Meeting: February 16th, 2022 at 6:30

Adjournment 7:00pm
