SCHOOL NEWS

We Are a Community (WAAC) Luncheon: Wednesday, October 7th

Mark your calendars for our annual **We Are a Community Thanksgiving potluck luncheon** coming up on Wednesday, October 7th, 11:30-1:00pm. This event is always much anticipated and loved by all. You will receive a notice home today (Monday Sept 28/15) to indicate what dish you are able to contribute to the potluck. It's always a delicious feast and celebration of thankfulness and community. We hope to see everyone attend.

E Forms Now Available on the Website

At the beginning of each school year, there are number of necessary forms that we need you to complete. **These forms are now available on the website.** It is crucial that you complete the required forms for each student. They will be available online in our Seaview Community Portal www.sd43.bc.ca/elementary/Seaview

1. **School Policies**
2. **Emergency Release**

Additionally, you will find on that page the following optional forms:

- **Medical Alert** - To be completed at the start of each school year but only if your child has a medical concern.
- **Volunteer Application** - To be completed once at each school level by parents and non-parents who are planning to volunteer at our school. Note: you also need to drop off a criminal record check (CRC) at the school office. Contact the school to ensure your CRC is still valid.
- **Driver Application** - To be completed at the start of each school year by volunteers who are planning to transport students during school field trips. Note: you will also need to drop off a driver's abstract and a criminal record check at the school office and complete a Volunteer Application form (once per school level).
- **Absence Report** – (available currently) To be completed when your child is going to be away from school

Parking Lot Safety

As a community we are collectively concerned at all times with the safety and well-being of our children. **To that end, please regard carefully the signage in our parking lot and comply with the instructions.** Whenever possible, avoid driving in our parking lot. You can use street parking and walk on, walk or ride from home, carpool or avoid the busier times. Thank in you in advance for your support and courtesy toward others in our parking lot. **Please do not leave your car unattended in no parking areas.** This is very problematic and a safety issue for emergency vehicles and access.

Visits to the School

During the school day if you have a need to contact your child, please stop by or call the office so we can help.

Visitors to the school who are here to volunteer need to sign in at the office and wear a visitor's pass. This practice is to assist children in knowing how to spot safe adults in our building and also protects the safety and privacy of our students during school time. Thank you in advance for helping us in maintaining a safe and orderly environment.

Seaview's Terry Fox Run Donation Drive and School Run

To honour Terry Fox and raise funds for the Terry Fox Foundation, Seaview is holding our annual donation drive and school run. Donations in any amount are being collected through September and can be dropped at the office or students can deliver them to Ms. Cowan in her classroom. The school run is being held on **Wednesday, September 30th**. This event is nationally important and locally treasured as Terry Fox attended school here in Port Coquitlam where his family's foundation office still resides. Go Seaview!

After School
program

Hello, Seaview Community!

The Fall 2015 After School Programs brochure is here! See the attachment for this session's program brochure and registration information. The programs are starting October 16th and run until December 18th 2015. Registration is now open. Visit the Community Programs page on the Seaview Community School website to register.

There are new exciting programs such as **IMAGINATION INK** – a fun creative writing program, **DANCE ADVENTURE** – a hip-hop and jazz dance, **AWESOME ART**- art class taught by Ryan, **WILLY WONK AND THE CHOCOLATE FACTORY** – musical theatre class taught by Professional Live Art for Youth (PLAY).

Kindergarten Parents please note: We have for several years not included Kindergarten aged children in our Fall Programs. Staff feel that your children have already many new things and procedures to learn as they become acclimatized to their school. In our experience adding one to two hours to their school day proves to be difficult for both your children and our program leaders. We want your children to have a wonderful and safe educational experience. We ask for your understanding and support. Our programs will be open to registration of your children into our winter programs beginning in January and our spring programs in April.

If you have any questions please contact:
