COMMUNITY SCHOOL NEWS

Hi, Seaview Community!

The Fall 2015 After School Programs brochure are out! See the attachment for this session's program brochure and registration information. The programs are starting this Friday on October 16th and run until December 18th 2015. Registration is open. Visit the Community Programs page on the Seaview Community School website to register.

The programs are filling up fast; there are limited spaces available in ***Introduction and Advanced Karate, Awesome***

Art and Willy Wonka and the Chocolate Factory.

There are new exciting programs such as **IMAGINATION INK** – a fun creative writing program, **DANCE ADVENTURE** – a hip-hop and jazz dance, **MUSIC EXPLORATION** – *this a new type of musical exploration that focuses on your voice; and always popular* **SCIENCE AL!VE** program by SFU students that gives a chance for students to learn about science in a fun and exciting way.

Kindergarten Parents please note: We have for several years not included Kindergarten aged children in our Fall Programs. Staff feel that your children have already many new things and procedures to learn as they become acclimatized to their school. In our experience adding one to two hours to their school day proves to be difficult for both your children and our program leaders. We want your children to have a wonderful and safe educational experience. We ask for your understanding and support. Our programs will be open to registration of your children into our winter programs beginning in January and our spring programs in April.

If you have any questions please contact:
