OUR SCHOOL GOAL

To grow students' self-awareness and personal management reinforcing self-regulation skills and ensuring all students thrive at school.

Tea Time Celebration

This week's students are being recognized at *Tea Time* for demonstrating the following quality of emotional regulation at school:

Showing kindness and empathy to others

Congratulations to the following students: Tobias, Stephen H. Indirah and Kennedy

During tea time we share stories of the actions students are taking in the emotional regulation domain and we are very proud of our students for demonstrating such exceptional kindness and empathy to their peers. We look forward to further celebration at our monthly assembly this Friday.

Reminder: Photo Retakes – November 2, 2015

Photo retakes will be Monday Nov 2nd in the morning.

Please return your unwanted proofs with your child on Nov 2nd labelled "Retakes" and return on Monday Nov 2/15 to give to the photographer.

Weather Reminders: Please Dress for Rain & Finding Snow Information

Our beautiful weather is hanging on but could turn the corner! At Seaview we play outside on rainy days calling 'inside' days only in the event of unsafe or extreme conditions. Please ensure your child is dressed for the weather and provide rubber boots for school. Our students really enjoy building mud dams and puddle jumping during play time. Without proper footwear we ask students not to participate in these activities which they find disappointing. Alternatives activities in the undercover area are a daily option for students who prefer to stay out of the rain.

In terms of snow, please check our district website (www.sd43.bc.ca) and listen to CKNW 98.0 for updates regarding potential school closures. We do look forward to our first snow day at school when our students always have lots of fun building snowmen and safe sliding at recess. It's a wonderful school tradition.

School Forms

Okay maybe not 😊 but we are still missing quite a few E-forms I promise it won't take long once you start!!!!

E Forms Information

At the beginning of each school year, there are number of necessary forms that we need you to complete.

E Forms are online and due now. It is crucial that you complete the required forms for each student. They are available online in our Seaview Community Portal www.sd43.bc.ca/elementary/Seaview

1. **School Policies**
2. **Emergency Release**

Additionally, you will find on that page the following optional forms:

- **Medical Alert** - To be completed at the start of each school year but only if your child has a medical concern.
- **Volunteer Application** - To be completed once at each school level by parents and non-parents who are planning to volunteer at our school. Note: you also need to drop off a criminal record check (CRC) at the school office. Contact the school to ensure your CRC is still valid.
- **Driver Application** - To be completed at the start of each school year by volunteers who are planning to transport students during school field trips. Note: you will also need to drop off a driver's abstract and a criminal record check at the school office and complete a Volunteer Application form (once per school level).
- **Absence Report** – (available currently) To be completed when your child is going to be away from school.
