# **COMMUNITY SCHOOL NEWS**

Good Day Seaview,

### **School of Wonderstanding**

We are pleased to announce that we are hosting School of Wonderstanding (SOW) again this Spring, the week of March 21<sup>st</sup> to 24<sup>th</sup>. Registration will open for SOW in the next couple of weeks. The cost is \$60.00 for 4 days and there are **60 spots** available.

Lastly, SOW will be **online only** registration. If you are unable to access online registration, please contact me to make an appointment to come in and register online. I can also make arrangements for you to access a computer at the school. When registration opens I suggest you register as soon as possible as the first week of open registration is for Seaview only, subsequently, registration opens district wide. As always, please contact me with questions or feedback.

### **After School Programs**

Seaview After School Programs are up and running. Thank you for your participation and for your on-line registration. I will continue to support the on-line registration process as it creates ease of access and eliminates some of the complications related to paper registration.
