SCHOOL NEWS

Student Conferences (Early Dismissal, 2pm): February 16th & 18th

Currently, schools conduct three formal and two informal reporting periods. This year's student conference dates (an informal reporting) occur on Tuesday, February 16th and Thursday, February 18th.

At Seaview we aim to optimize our opportunities to communicate and partner around student learning and have been engaged in an ongoing exploration of processes to make communication meaningful and accessible to parents. To communicate student learning this February, teachers have customized the processes for their classrooms.

Students will come home with a notice next week informing parents of the process planned for their child's class. In some cases you will need to complete a tear-off portion to indicate a time preference and/or choice regarding manner of communication.

Please mark your calendars for the early dismissal time of 2pm on both days

COMMUNITY SCHOOL NEWS

Good Day Seaview Parents,

Well the After School Programs are up and running hopefully without any hiccups. If there are any problems or concerns please feel free to contact me.

Now I know that there were some excited parents and children waiting for the registration for School of Wonderstanding to open up last week. As of 5pm on Jan. 26th it open up and as of today we have 30 of the 60 spots already filled. I expect that the last 30 will not last very long because SOW will now be advertised and open to everyone district wide. So if you haven't register your child yet I wouldn't hesitate to do so.

Plans are happening for the Spring programs and for Summer Camp at Seaview. I hope to have more information in a couple weeks. So stay in touch and I will update you all as the program and camp information is confirmed. Take care and remember that your child's childhood happens only once. Enjoy every second of it.

Cheers
