STELLAR PLAY - FOREST RANGERS

Unleash your inner Forest Ranger and learn what it takes to play in the wilderness safely and with confidence.

Discover how you can become a responsible, self-reliant, and adventurous visitor of the British Columbia backcountry by learning a variety of skills including: shelter building, navigation, trip planning, the ten essentials, knot tying and much more.

All students will build their own personal hiking first aid kit on the first day. The aim of the Forest Ranger Program is to help children feel more comfortable while outdoors. This program will also feature fun games mixed in, and hands-on scenarios to encourage critical thinking

NOOMA **STREET ART - GRAFFITI**

Explore the world of street art, where creativity reigns and confidence grows. Graffiti isn't just about rebellious tags; it's a canvas for finding your unique style. Embrace the streets as your art school, learning different lettering techniques that make your mark distinct. Street art isn't just about what you create; it's a journey of self-expression, breaking free from norms, and discovering your voice in the city's rhythm. So, grab your spray cans and let the streets be your classroom, where building confidence and creating your style go hand in hand.

EARLY ENGLISH WITH RACHAEL

Through individualized support, interactive lessons, and games, this program strives to enhance the language skills of early English learners. Priorities will include filling in gaps in understanding, fostering positive learning environments where asking questions is encouraged, and establishing strong foundations for students to experience success in future grades.

Sessions will cover English-related homework help as well as lessons and games involving pattern recognition, letter sounds, vowel combinations, compound consonants, basic reading practice, and much more.

*This program is aimed towards early grades (K-2) and newcomers to Canada. Lessons will be modified to best suit the group.

No program on Feb. 23

Preschool Program

PLACE MAILLARDVILLE SOCIETY: GET READY FOR PRESCHOOL

Guardians and their 2 - 3 year-olds will join our staff at Miller Park Elementary for this hands-on exploration program. Together we will encourage children to familiarize themselves with a classroom setting through organized crafts, story-times and fun games. The goal of the program is to help children transition into a pre-school setting. Guardians will begin in the program each day with their child until meet the required milestones to stay independently.

Winter 2024
Pro-D Camps

CODENINJAS[®] **CODE NINJAS: PRO-D CAMP**

During the half-day Pro D Day camp at Code Ninjas, students delve into the realm of game development using Microsoft's MakeCode Arcade, the very platform integrated into our programming classes. Throughout the camp, participants build their own custom arcade games, gaining a foundational understanding of game development. The choice of MakeCode Arcade ensures a child-friendly experience, facilitating an approachable learning environment. What makes this camp particularly beneficial is the accessibility of MakeCode Arcade, allowing students to continue practicing their coding skills at home. This program aims to provide practical and engaging insights into game development, fostering both creativity and technical proficiency in a manner suitable for young learners.
