

SUMMIT MIDDLE SCHOOL

Advanced Band Program 2022-2023

Dear Parents/ Families:

Summit Middle School is planning our Advanced Band course this fall! We are very excited to welcome Summit students into our Music Enrichment program.

The below forms indicates that you are interested in joining the Summit Advanced Band program:

[Summit Advanced Band 2022-2023 Interest Form \(office.com\)](#)

Summit Middle School offers an Advanced Band program for students of any grade who have already played their instrument for at least one year (or were in Beginner Band previously). Students will be registered for the course and will be assessed upon the progress of their band skills throughout the year. The Advanced Band rehearsals take place Tuesday and Friday mornings every week from 7:45am to 8:30 am before the regular school day begins.

If your son or daughter may be interested in joining band, please complete the above Microsoft FORM link by **Thursday, June 16th, 2022**.

Due to limitations around physical space and teaching ratios, we may not be able to accommodate all interested students or their preferred instrument choice. Final decisions will be made in September.

We will be adhering to the guidelines as set up by the School District and Provincial Health Authority in order to make these programs safe.

We would like to know, for planning purposes, how many students we might expect to see enrolling in the courses for September. It is perfectly acceptable to change your mind over the summer and decide not to enroll your son or daughter if you wish. This form indicates an expression of interest only.

On September 8th, 2022, interested students and their parents are welcome to attend a virtual Band Information Night at 6:30pm to find out more information about the instruments and the music programs at Summit. An invitation will be sent out closer to the date.

If you have any questions, please email Mr. Balsler at mbalsler@sd43.bc.ca

We are looking forward to welcoming your son or daughter to Summit Middle School Advanced Band!

Sincerely,

Glenda Speight
