Dear Parents, Students, and Staff:

With warmest wishes, we welcome you back to a new school year! We recognize the importance of our schools as the heart of our communities. Parents, students, educators and staff alike are given an opportunity to return with renewed energy and enthusiasm for our common purpose, inspiring a love of learning in all of us. We encourage you to make the most of your school year by getting involved in your parent group, school activities, and by reaching out to others.

We look forward to welcoming all of our students...those entering for the first time, those new to our district, and those returning. We anticipate hearing of all the successes and good things that we know will take place this year in our schools and communities.

Thank you for continuing to provide a world class learning environment in School District No. 43 as we embark on what promises to be a rewarding 2014-2015 school year!

Sincerely,

Tom Grant, Superintendent of Schools
On behalf of the Board of Education
