Terry Fox Secondary – After Grad 2020 Welcome Letter

Terry Fox After Grad 2020 committee welcomes you! We are a volunteer parent run committee working towards organizing and fundraising a highlight event hosted by the Grade 12 parents and school administration.

This has been a 25 year tradition at Terry Fox Secondary that the Grads look forward to. "After Grad" is an alcohol and drug free event at the school which follows the grads formal Dinner/Dance June 6-7, 2020 and provides the students with a safe environment to continue their celebrations between 12:00AM – 5:00AM. This event provides the graduating students with food, music, entertainment and prizes.

In order to stage this event, the After Grad Committee aims to raise approximately \$35, 000 to \$40,000 through donations and fundraising. The 4 main fundraisers are:

- Craft Fair - Nov. 2, 2019 (looking for volunteers for Fri set up and Sat fair)
- Cash Raffle
- Pub Night
- Bottle Drive

The parent After Grad Committee meets throughout the school year, once per month on the third Wednesday for about an hour to plan this huge event. Our next meeting is:

WEDNESDAY, OCTOBER 16, 2019

Where: Terry Fox Secondary School Library

Time: 7pm

Please come join us. It takes many parent volunteers to help make this a memorable occasion! Your support is important and greatly appreciated.

Best Regards

Stacey Parman
