Chantilly Bliss

Kiana Lee is a graduate from Heritage Woods Secondary and took the SD43 Professional Baking and Pastry Arts Program at Vancouver Community College. Her passion for baking was her inspiration for her grade 12 Capstone Project.

For her Capstone Project, Kiana decided to create her own baking company name **Chantilly Bliss**. Using the social media platform Instagram, Kiana has been able to share both her passion and talent for baking. Here, she showcases a wide variety of desserts, baked goods and specialty cakes using the skills that she learned in the SD43 Baking and Pastry Arts Program. These items are made available for purchase and all ordering can be done direct through the app.

Kiana is now attending SFU and is enrolled in the Business Program. She hopes to learn best practices in business so that she can continue to grow her company and eventually buy and own her own bakery. **Learn more about Kiana Lee and Chantilly Bliss by watching the video below!**
