Who's Who? The Character Directory				
Title	Name			Period
Directions: When deciding	g which characters to include	le in the directory belo	w, you must distinguish between major an	d minor characters.
If you organize all the chair	racters along a continuum c	of importance, some wo	ould be at one end (e.g., a zero: not impor	tant) while others
would be at the other end	l (e.g., a ten: essential, or m	ost important). Before	adding a character's name to the director	y, ask yourself
	nt enough, and if so, why th		J	<i>.</i>
