

Instructions for New Student Registration School Year 2023-2024

Welcome to School District No. 43 (Coquitlam)!

Instructions for New Student Registration

Step 1: Use the School Locator tool on our website to determine your catchment school.

To use our **School Locator** tool on our website, simply type in your street name and follow the instructions.

Step 2: Complete the New Student Registration Package (PDF).
Save this package on your device as "New Student Reg for[Name of Child]"

It is recommended that you download the New Student Registration Package using a computer (PC or Mac). Mobile phone, iPad or tablet is **not recommended**.

If you are unable to complete the New Student Registration Package on a computer, please contact your catchment school to pick up a paper copy of the form.

This New Student Registration Package includes the following:

- Instructions on how to send your New Student Registration Package electronically (Step 4)
- Student Registration Form
- **Funding Eligibility Checklist** a list of required verification documents showing proof of citizenship, your child's legal name, proof of BC residency and proof of guardianship

Step 3: Prepare the required verification documents for registration.

Families have the option of sending scans/photos of all required verification documents.

If a school receives all of the required verification documents, there will be no need for families to visit the school in person to have their documents verified. However, schools may still need to request for an in-person appointment if the documents are incomplete or inaccurate.

If you choose not to email your required verification documents, you will still need to email the registration form. Then, you wil be contacted by the school to schedule a time for you to bring in the required documents for verification.

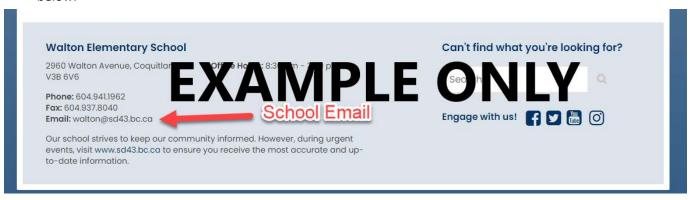

- Proof of citizenship for parent & child (one of): birth certificate; passport; PR Card; Canadian Citizenship Card;
 status card
- **Proof of B.C. residency for parent (one of):** rental contract; property purchase contract; income tax statement; property tax statement;
- **Two of the following documents:** utility bill; B.C. driver's licence; B.C. vehicle registration; Canadian bank or credit card statement; B.C. ID.

• **Proof of Guardianship (one of):** child's paper birth certificate (long form) – parents are named; income tax statement –children are declared; parent's confirmation of Permanent Residency or Record of Landing or valid Immigration Canada documents – children named; if parents live separately, court order or written agreement granting care to accompanying parent; if not the parent, legal guardianship must be by will in accordance with the Infants Act or court order in accordance with the Family Law Act in British Columbia

View the Funding Eligibility Checklist (Page 5) for the full list of required verification documents.

Step 4: Send an email back to your catchment school (email is found at the bottom section of the school's homepage) and **attach the Registration Form and required verification documents**.

- A total of seven (7) documents must be submitted: Student Registration Form (one) and Required Verification Documents (six)
- Locate/ verify your catchment school using the School Locator on our website.
- Find your catchment school email at the bottom section of the school's homepage. For example, see image below.

If your child has any special education needs, we ask that you contact District Learning Services at 604-937-6386 and ask to speak with the Zone Coordinator for your catchment school.

Step 5: You will be notified of your placement by the principal.

Students will be placed according to this process provided there is space available:

- 1. Siblings of older students who will also attend the school in September 2023 will be the first priority for placement.
- 2. If applications exceed the available space at a school, students will be waitlisted and assigned to the nearest school with space.

Cross Catchment

Parents sometimes wish for their children to attend a school that is not their catchment school. In such cases, <u>you must</u> first register at your catchment school.
