## GENERAL ANNOUNCEMENTS

### Grad Assessments

The entire grad assessment schedule (April 20-23) has been posted outside the office on the windows facing the Commons. If you are scheduled to write either Literacy 10, Numeracy 10 or Literacy 12, it is critical that you check that your name is on the list, AND that you make a record of your assessment date and start time. All assessments are being written in the Library Learning Commons, and they are all needed for graduation. Any student who is more than 30 minutes late for an assessment is not permitted to write, so punctuality is very important. If you have any questions or concerns about the grad assessments, or if you don't see your name on a list, please see Ms. Shorthouse in the office.

Students registered for Peer Tutoring 11 or 12 for next school year must complete the expression of interest form by THIS Friday, April 17<sup>th</sup>. Please check your email for more details.
