Steam Power After School Program

Speed Dating

We are planning on having a fun activity for the grade 11 and 12's on April 10th! We are going to have approximately 20 grade 11's and 20 grade 12's participating in a compatibility match game.

Each pair will have 3 questions to ask and answer with the person sitting across from them. After two minutes, you will be paired with another partner and a different set of questions. At the end of every two minutes, you will either check off your card with a great match or not a match. At the end of the contest, there will be prizes for the following:

1. Most compatible
2. Moderately compatible

Prizes will be awarded based on the results, but there will also be a variety of random prizes drawn from a box. This is just a fun noon-hour activity; you are not going out on a date with the person across from you based on the results.

District clothing swap meet

Terry Fox is participating in the District Clothing Swap Initiative again this year. **Please bring in clothing donations starting Wednesday, APRIL 8th to April 17th.** Please bring them to the Office in the morning. We accept baby, youth, teen & adult clothing! VIP Passes that give early access to the Swap Meet will be given out to those that donate.

All students and families are invited to the Swap Meet at Pinetree on Saturday, April 18th to pick out free clothing items to take home. This is a great way to reduce waste, support sustainability, and help others in our community.
