Project Cambodia- Now until March

15th. 柬埔寨计划 ---- 今天到三月十五日

Please help support the Global Perspectives student team from Pinetree Secondary School as they plan to travel to Cambodia in March with donations of money and supplies. The Pinetree students visited Walton earlier this month and spoke to our classes about this very worthwhile initiative. We are encouraging Walton families who are able, to send loose change to school with their children and to give it to their classroom teacher. Thank you in advance for your generosity. This initiative will continue until Spring Break.

Nina Corrie of "Tattoos for Now" spent a morning at Walton giving all the students and staff airbrushed snakes in preparation for the Lunar New Year Celebration
