RECENT POWER OUTAGE

最近停电消息

Last week we experienced a lengthy power outage at Walton. While this was not a true emergency, it did become very dark and cold in the school and we were able to practice our

emergency release system. We were pleased with how efficiently our release of students to their parents and caretakers went and are grateful for the patience demonstrated by everyone. There were a few 'glitches' that we are, as a staff, working on remedying. We sincerely hope to never have to test our system in a true emergency, but, will do our utmost to be prepared should that event occur.
