Principal's Corner

As we move further into spring, there is a wonderful sense of renewed energy throughout our school. Longer days, brighter weather, and a growing sense of momentum are clearly reflected in our classrooms and hallways as students remain engaged, curious, and eager to learn.

I would like to extend a special congratulations to our students for their excellent dance performances this past week. Their creativity, confidence, and teamwork truly shone on stage. It was inspiring to see students take pride in their hard work and support one another—thank you to our staff and families for your encouragement and celebration of the arts.

A reminder that we have a scheduled Emergency Release Drill on Wednesday, May 14. This drill is an important part of our emergency preparedness and allows staff and students to practice procedures in a safe and controlled way. Families will receive additional details closer to the date, and we thank you in advance for your cooperation and support.

Thank you, as always, for your continued partnership. We look forward to a strong and positive finish to the school year.

Sincerely,
Misti Askew
Principal, École Westwood Elementary
