## DRIVING AND SAFETY AT WESTWOOD

Our main goal at Westwood continues to be safety, and we need your help to ensure that all students are safe, especially at drop off and pick up time. Here are a few reminders for safety:

- We understand that everyone has busy days and drop off and pick up can be challenging, however we ask for your patience. We are noticing an increase in frustration and ask that parents help to keep the calm and model patience for our students.
- A reminder that no cars should be left unattended in our drive through. If you need to leave your car to pick up your child, you are required to park on the neighboring streets and walk to your child's drop off/pick up area. Please do not block our neighbors driveways.
- Please slow down in our drive through and nearby streets. The speed zone is 30 km/hr.
- Students who are riding bikes and scooters to school, must be wearing a helmet. We also ask that students dismount bikes and scooters and walk while on school property to ensure the safety of others.
- The driveway by the back playground on Patricia is not a place for a U-turn. This is a bike path and we are concerned someone may be hurt, please plan your driving route accordingly.

## Principal's Corner

Dear Westwood families,

In light of the recent events in the last few weeks, we want to acknowledge that news like this can feel unsettling for families. Please know that the safety and well-being of our students is always our highest priority at Westwood. We continue to follow strong safety procedures, maintain close supervision, and work closely with our district partners to ensure our school remains a safe and caring place for every child. Our staff are attentive to students' emotional needs, and we are ready to support any child who may feel worried or have questions. Thank you for your ongoing trust and partnership as we continue to keep Westwood a safe, connected, and welcoming community.

Sincerely,

Misti Askew
