### **Principal's Corner**

As we reach the halfway point of the school year, I want to take a moment to reflect on the incredible growth, learning, and connection we've seen so far. From the excitement of September's first days to the many meaningful moments we've shared through fall celebrations, in-class field trips and daily classroom adventures, our students have shown curiosity, resilience, and kindness every step of the way.

I am so grateful to our staff for their dedication and to you—our parent community—for the support you give your children and our school. Partnerships like ours truly strengthen the work we do.

Looking ahead to the months to come, there is so much to be excited about. Students will continue diving into engaging learning opportunities, leadership development, and community-building activities that help them grow academically, socially, and emotionally. We also look forward to upcoming school events, including our Winter Concert, and the many joyful experiences that make the second half of the year so special.

Thank you for being such an important part of the Westwood community. Together, we are creating a supportive, inclusive, and vibrant place for our students to learn and thrive.

Sincerely,  
Misti Askew
