We are reaching out to ask for your support in reinforcing positive expectations with students when using school washrooms.

At Westwood, we work hard to create a safe, respectful, and welcoming environment for all students. Recently, we've noticed some concerns in the washrooms related to use of space, supervision, and respect for the environment. We are addressing this at school with students, and your partnership makes a big difference.

We are encouraging students to:

- Use washrooms responsibly and return to class promptly
- Respect the space by keeping it clean and free from damage
- Treat others with kindness and ensure everyone feels safe and comfortable
- Report concerns to a trusted adult

We would appreciate it if you could reinforce these expectations at home and have a brief conversation with your child about the importance of respectful behaviour in shared spaces.

By working together, we can ensure that our school remains a positive and safe environment for all members of our community.

Thank you for your continued support.

Sincerely,
Misti Askew
