Hello all, our floral website is up and running!

We are selling beautiful plants to raise money for our programs. Plants are a great way to encourage our friends to get out into the garden while choosing to support a healthy fundraiser!

Principal's Corner

As we come to the end of Term 2, I want to take a moment to reflect on the remarkable progress our students have made and to express my sincere gratitude for your unwavering support.

The past few months have been filled with academic achievements, extracurricular successes, and personal growth for our students. They have demonstrated resilience, curiosity, and a commitment to excellence, and it has been a joy to witness their development.

With three months left in the school year upon return from spring break, we are entering a crucial period of preparation and goal-setting. It is important for students to stay focused and continue putting in their best efforts as we work towards the successful completion of the academic year.

Spring Break is just around the corner, providing a well-deserved opportunity for rest and rejuvenation. I encourage our students to take this time to relax, enjoy the spring-like weather, and recharge their energy for the final stretch of the school year.

Thank you for being active partners in your child's education. Your involvement and encouragement play a vital role in their success. Together, we will continue to create a nurturing and inspiring learning environment for all our students.

Wishing you a restful and enjoyable Spring Break!

Warm regards,

Sincerely,

Misti Askew
