Instructions for Kindergarten Registration

Step 1: Use the School Locator tool on our website to determine your catchment school

To use our [School Locator](#) tool on our website, simply type in your street name and follow the instructions.

Step 2: Complete the Kindergarten Registration Form (PDF). Save this document on your device as “K Reg for [Name of Child]”

It is recommended that you download the Kindergarten Registration Form on a computer, please contact your catchment school to pick up a paper copy of the form.

This Kindergarten Registration Form includes the following:

- Instructions on how to send your Kindergarten Registration Form electronically (Step 4)
- Student Registration Form

Step 3: Prepare the required verification documents for registration.

Families have the option of sending scans/photos of all required verification documents.

If a school receives all of the required verification documents, there will be no need for families to visit the school in person to have their documents verified. However, schools may still need to request an in-person appointment if the documents are incomplete or inaccurate.

If you choose not to email your required verification documents, you will still need to email the registration form. Then you will be contacted by the school to schedule a time for you to bring in the required documents for verification.

If your child has any special education needs, we ask that you contact District Learning Services at 604-937-6386 and ask to speak with the Zone Coordinator for your catchment school.

Step 5: You will be notified of your placement by the principal.

Students will be placed according to this process provided there is space available:

1. Siblings of older students who will also attend the school in September 2024 will be the first priority for placement.
2. If the number of Kindergarten registrations exceeds the school's capacity by February 8th, a random draw will be used to determine the student's placement. Any Kindergarten registrations not placed during draw will be waitlisted and assigned to the nearest school with space.
3. Any registrations received after February 8th, would not be placed in the draw. If the school is full, students will be waitlisted and assigned to the nearest school with space.
