

Take Me Out in a Snowstorm

(Take Me Out to the Ball Game)

New Lyrics by John Jacobson

Take me out in a snowstorm.
Take me out for a ride.
Bring some hot chocolate and Oreos.
Maybe a muffler to cover my nose.
We'll just huddle up on a sleigh ride,
A blanket over our toes.
We'll go up, up, up and away
As the cold wind blows!

Leave me home by the fire!
You can go out alone!
You must be crazy; it's forty below.
Ev'ry highway is covered with snow.
I'll just sit right here where it's cozy,
I'll order pizza and Coke!
Then I'll stay right here where it's warm
'Cause this winter is a joke!

(Repeat both verses. Sing at the same time.)

We'll go up, up, up and away
As the cold wind blows!
(shout) Hooray!
