

School's Back!

Welcome back everyone!

We are so happy to have our community together. Every September, we have some settling in to do. During the settling in stage, we count our students and we recount our students. We check to see who is returning, who is on vacation and who has moved away.

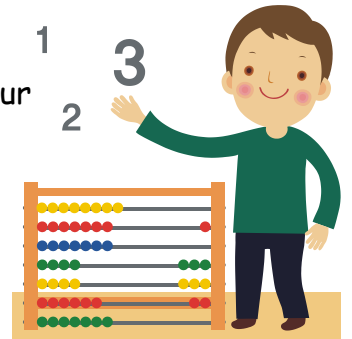

As school ended in June, we knew that some of our students and their families were moving to new schools and new neighbourhoods. This September we have learned that **17** students are not returning to our school. We are welcoming **32** new students in grades one through five.

Over the next few days, we will determine how many classes we will need at each grade level. Once we determine the organization and our staffing requests have been considered by our District Leadership team, we will meet to build our classes for the school year.

In the meantime, we are getting reacquainted with our returning students and getting to know our new students. We are making sure that everyone learns about the 'Aspenwood Way' - some of our school traditions that make it easy for us to learn, to have fun and to be safe at school.

Thank you for your patience.

Laurie Birnie, Principal

Aspenwood
ELEMENTARY "Rooted in Care and Excellence"
