	"Ford Drive One" program								
One of the major fundraising portions of this event that stands to make our school up to \$6,000 and won't cost anyone a									
р	penny is the "Ford Drive One" program. All you have to do to participate is show up and take a brand new Ford vehicle for a								
	test drive. If you are planning on participating please use the following link to pre-register as this will speed up the								
	registration process on the day of the event. Our school will receive \$20 for every person that test drives a vehicle.
