##### STUDENT PARKING

We are experiencing a high demand for parking in the upper parking lot and the demand will only increase as more students pass the ‘N’ road test before the end of June. Students, you **MUST** register your car with the office and identify your car with your parking pass so we can differentiate between school demand vs. park demand. Registration forms are available in the front office.

Starting the week of February 26th checks will be occurring to ensure cars are displaying passes. We will issue warnings to start and then may start towing if cars do not have a pass displayed.

Your cooperation with this is much appreciated.
