COMPUTER AND ROBOTICS PROGRAM

"The Computer and Robotics Program at SD43 Confucius Institute will have a free workshop on **Saturday, November 26** at Winslow Center (1100 Winslow Ave, Coquiltam) from 2:00 - 4:00 pm. The workshop will have one of B.C.'s experienced STEM teachers Henry Ho giving a lecture on Robotics Programming using the VEX IQ Robotics platform. Henry will give a hands-on demo, showing students how to use VEX IQ and giving an intro to robotics systems. A Q&A session will follow the demo. The workshop will also provide information on the Technovation Challenge, a competition sponsored by Google and Microsoft and designed to guide girls in becoming technology entrepreneurs. Workshops offered by the Computer and Robotics Program are free to the public and aim to build a vibrant community of technology education and entrepreneurship in SD43. Workshop space is limited. Email Lucie Wee at sd43computers@gmail.com with the participant name, grade and school to register, and you will receive a confirmation response. Please contact sd43computers@gmail.com if you are interested in becoming involved as a future speaker or workshop leader."

LOOKING FOR A GRAD DRESS?

Are you starting to look for your Grad Dress? Check this site out, <https://twitter.com/Dressew>

IMPORTANT REMINDERS

*****SCENT FREE SCHOOL*****

All schools and buildings within SD43 are "**scent free**" places of work and learning. Numerous students and staff have serious medical complications with various natural and chemical scents/ fragrances.

As such, please make every effort to avoid using or wearing scented products within this space in order to establish an environment that is as "scent safe" as possible.

SLOW DOWN AND USE CAUTION IN THE DRIVEWAY/DROP OFF AREA IN FRONT OF THE SCHOOL

Students are reminded to slow down and use the designated crosswalk area when crossing through the school driveway area. Be very vigilant as drivers are often distracted as they are moving in and out of waiting spots. Also, our student drivers are reminded that the expectation is "dead slow" in our school driveways and parking lots.

STUDENTS THAT ARE LATE OR LEAVING EARLY

*Please remember that when you are late (even for a minute) you MUST sign in at the office. This also applies to those students whose parents have phoned them in late. Also if you need to leave the school early for any reason, **YOU MUST** sign out at the office with parents' permission – a note, phone call or email.*

VAPORIZERS – AN ADDITION TO THE CODE OF CONDUCT

VAPING IS NOT PERMITTED IN THE SCHOOL OR ON SCHOOL GROUNDS

We have noted an increase in the use of these devices by our student population at Charles Best.

While there are documented health concerns associated with vaping, these devices have also become a safety issue.

We are using this opportunity to inform students and parents **that vaporizers and/or e-cigarettes cannot be possessed at school under any circumstances**. There have been recent incidents in our school/district that have resulted in these devices unintentionally exploding which can result in serious injury for the user and those around them. For the safety of all of our students and staff it is important that these devices are not on school property.

Students are not permitted to have these devices in their lockers, backpacks, or on their person at any time while on school property. If a student is found in possession of a vaporizer or e-cigarette, it will be confiscated. Parents will be contacted and required to meet with the administration and their son/daughter. Reoccurring incidents will result in disciplinary action.
