- 2. Very Important Grade 7 Girls Volleyball meeting at nutrition break today. We need to determine if we are going to our game at Como Lake today.**
- 3. Terry Fox Run – The Terry Fox Run is this Friday. Don't forget to tell your caregivers about your class's fundraising page. Thank you to all the families who have given generously so far. Our goal is to have every student gain support from at least one person. We are at 9% of our goal so far, so please send that link out widely! There are prizes for the classes with the most participants.**
