

Citadel Middle School

Thursday, March 7th

- 1. Equipment Cart - The equipment cart will return today with a new location for picking up equipment - across the hall from the washrooms near the gym. Please be respectful of the athletic leadership students who are handing out the equipment and please be respectful of the equipment. Much of the equipment is not usable right now because it has been damaged or it is on the roof...**
- 2. Citadel Cares - Attention Citadel. As many of you know, Citadel Cares has been raising money this year for Covenant House. They are an organization that help youth in need. This can range from youth who are homeless, in need of drug or alcohol counselling, and more. To raise as much money as we can, we have pizza lunches monthly, as well as candy cup sales. We have been given permission to sell candy cups next week for 2 days. That's right, 2 days of candy cup sales on Wednesday and Thursday next week. And.... we will be having a pizza sale on Thursday as well. Please come out and support us.**
