Dear Parents/Guardians:

We again this year have the wonderful opportunity to help out some families in the community by providing *Christmas Gift and Food Hampers*. These hampers will help families in need to have an enjoyable Christmas season!

CRE and the CRE PAC are sponsoring three families this year. Each classroom division has been invited to support one of the families (adults and children). If your family would like to participate in giving, please see the information below. There are instructions and a profile of the needs and wishes of your child's classroom's family.

Thank you very much,

Murray Peters (Principal) & Gabrielle Cowley (PAC Chair)
