

Home Alone Program

10-11 year olds

Designed by Canada Safety Council, the Home Alone Program provides children with the necessary skills and knowledge to be safe and responsible when home alone for short periods of time. This course uses role play and games to problem solve real-life situations, and provides ideas for staying constructively occupied. Meet in room 205 (Ms. Stables classroom).

Mondays, 2:40 p.m. - 3:45 p.m.
