

SD43 Kindergarten Registration Information 2020 – 2021

Kindergarten registration will be held throughout the district on February 3 – 5, 2020. Parents should register at the elementary school in their catchment area (*check your catchment area on our [School Locator](#)*). New kindergarten students who have a sibling at a school outside their catchment will be accepted at the sibling's school (*provided the sibling will still be in attendance in that school year*).

Only those students who are five years of age on or before December 31, 2020 can be accepted for September 2020 enrollment. Parents may defer the entry of children into the program for one year from when they become eligible to start, at which time entry is mandatory. It is a requirement to produce a birth certificate and other documentation before the child is accepted. Please refer to the [Funding Eligibility Checklist](#) for a complete list of required documentation.
